

ANALEMMA

THE ARCHITECT OF LIFE

Enhance the quality  
of your drinking water  
by restructuring it  
into a coherent, liquid  
crystalline state –  
for optimal  
balance & vitality

for our website:

Analemma Water creates a more balanced body & mind, bringing them into a restructured state of coherence.

When H<sub>2</sub>O molecules come in contact with an Analemma Water product, they transform into a liquid crystalline structure.

This permanent molecular rearrangement of water gives it vitality and provides a remarkable influence on all living things.
